CREDENTIALS

Preseason/Regular Season Games
Media credentials are issued to working media only. All single-game credentials may be picked up at the desk located inside the Northwest Media Entrance of the AT&T Center beginning two hours prior to tip-off. All credentials are non-transferable and any unauthorized use will subject bearer to ejection from the AT&T Center and confiscation of the pass. NOTE: All personal items are subject to search upon entering the AT&T Center.

Individual game credentials should be requested through the Stars Communications Department a minimum of 24 hours prior to game time or by 4 p.m. (CT) on Friday for all Saturday, Sunday and Monday contests.

Media members covering the Stars on a regular basis will be issued full-season credentials. Media with season credentials are still required to reserve seating for all games via phone (210-444-5738) or email (rsweat@attcenter.com). Reserved seating requests should be made to the communications office by the above mentioned deadline.

Single-game credentials will be issued on a space available basis. Credentials are good for admittance to the arena, media workroom, media hospitality and both team locker rooms.

Visit SAStars.com to apply for season and single-game credentials.

ABSOLUTELY NO AUTOGRAPHS DURING THE MEDIA ACCESS PERIOD.

GAME NOTES AND STATISTICS

Game notes, rosters and stats are available in the press room two hours prior to game time. Statistics are distributed to the working media at the conclusion of each quarter as well as first half boxes and final boxes. Post-game notes and quotes are distributed following the game.

INTERVIEWS

Interviews that need advance preparation or special accommodation should be arranged by contacting the Stars Communications Department. This includes all live television interviews for pre and post-game.

All photographers are required to wear a “PHOTO” credential to gain access to the arena floor. The photography areas of the AT&T Center are located along the baselines of both ends of the court. Photographers are prohibited from entering the sideline areas in front of or behind the team benches and in front of press row. In addition, photographers are asked to observe WNBA rules for player escape routes - an open area approximately five feet on both sides of the basket.

AT&T CENTER ENTRANCE

The media entrance is located at the Northwest Media entrance of the AT&T Center. All media members must enter the building through this entrance. WNBA and Stars season passes will be honored and single-game credentials will be available at the will call desk for pickup. The press doors open two hours prior to tip-off. For those media members who receive season parking privileges, the media parking is located adjacent to the Northeast corner of the stadium. Media covering Stars on a game-by-game basis can request a parking pass along with their single-game credential.

HOSPITALITY

The media workroom and media hospitality room are located on the event level in the southeast corner of the AT&T Center and are accessible only with a valid credential. Both rooms are open two hours prior to game time time. The professional intent of the media workroom is to provide a meeting and working area for writers, reporters, broadcasters and game personnel. Family members and guests will not be admitted. Any abuse of the media workroom and/or press privleges will result in forfeiture of credentials. The media workroom is equipped with electrical outlets and telephones. For additional phone needs please call Shane Skaggs at 210-444-5153.

MEDIA SEATING

Reserved media seating has been designated at either the courtside press table or in the overflow press seating located on the Plaza Level in sections 101-103 and 126-28. All seats are reserved for each individual media member. Seating charts are posted at the media check-in desk and in the press room. Electrical outlets and telephones are placed on press row for your convenience. In addition, stat monitors, which also show the in-house TV feed, are also available on press row. If a media member is in need of an individual phone, please contact the Stars Communications Department for assistance. Media are asked to finish and file stories in the media workroom to facilitate changeover in the AT&T Center.

GAMED DAY ACCESS

Shootarounds: All shootarounds will be open to the media for the last 30 minutes of the workout. Interviews at the Antioch practice facility will all take place on the court as there is no locker room access at the practice facility. For road games, media should contact the Stars Communications Department to verify shootaround times and media access periods. Should the team not have a shootaround, it is not required to have a media “shootaround” interview session.

Pre-Game: The Stars locker room will be open for a 30-minute period that begins 90 minutes before tipoff.

Post-Game: Following a 10-minute cooling off period, head coach Vickie Johnson will be available to the media and the locker room will be open to the media for 30 minutes.

OFF DAY ACCESS

Practice: All Stars practices are open to the media. Please check with the communications staff regarding open practice times for that day. No interviews will take place prior to practice without advance arrangements being made through the public relations department. All interviews will take place on the court at the Antioch practice facility.

All interview requests for San Antonio Stars players and staff should be directed to Communications Manager Rebecca Sweat. Interview requests will be accomodated per the WNBA Media Access Policies, listed above.

In the summer of 1973, a group of local investors leased the Dallas Chaparrals and relocated the team to San Antonio. Midway through their first season in the Alamo City, the group purchased the team outright and the Spurs have been a mainstay in San Antonio culture ever since. The Silver and Black played their first three seasons in the ABA before joining the NBA in the summer of 1976, along with the Nets, Nuggets and Pacers.

Over the last 19 years, the Spurs have enjoyed a tremendous amount of success. Since Tim Duncan joined the team in 1997-98 the Spurs have captured five NBA Championships and have posted the best regular season winning percentage (.704, 1,005-423) of any team in the four major U.S. sports (MLB, NBA, NFL and NHL). During that time, San Antonio has posted the NBA's best record five times (1998-99, 2000-01, 2002-03, 2011-12 and 2013-14) and has won 11 division titles. The Spurs record during that span ranks as the best 18-year run of any team in league history. San Antonio has also posted 50-or-more wins in 16 consecutive seasons, the longest such streak in NBA history.

In September 2012, ESPN the Magazine name the Spurs the "Team of the Decade" in its annual Ultimate Standings survey. San Antonio has been named the best franchise in professional sports three times (2003, 2005 and 2014) and is the only franchise to rank in the Top 10 every year since ESPN introduced its annual survey in 2003.

The Spurs are led by head coach Gregg Popovich, who has been at the helm for the past 20 seasons. The longest tenured coach with the same team in all of the four major U.S. professional sports, Popovich holds the third-best winning percentage (minimum 250 games coached) in NBA history (.685, 1,022-470). His 1,022 victories with the Spurs ranks second all-time in NBA history for most wins with one team, behind only Jerry Sloan (Utah Jazz, 1,127).

On the court the Spurs are led by the trio of Tim Duncan, Tony Parker and Manu Ginobili, who have won four NBA titles together and have the most total wins (regular season and playoffs) as a trio in NBA history. About the Fox... He's been called by many names: The Shogun of Shenanigans… the Tycoon of Tomfoolery… that furry thing with the shorts. Yes, he's had many nicknames, but, in his current stomping grounds of San Antonio, he's known simply as The Fox. With a knack for slapstick, The Fox has been entertaining Stars fans for years with his side-splitting antics. When he's not causing trouble, he's busy in the community giving out free chest bumps, high-fives and hugs to anyone willing or otherwise. In his time with the team, The Fox has quickly made a name for himself, and has since become a staple of the Stars basketball experience.

silver & black GIVE BACK

Since 1988, together with the Spurs, Stars, Rampage, SAFC and Austin Spurs players, and coaches the Silver & Black Give Back (SBGB) family has empowered hundreds of thousands of young people across South Texas. In the seven years of the Team Up Challenge, SBGB has connected players with students, volunteered more than 25,000 hours and awarded these kids over a million dollars for their efforts at improving the community. Since 1991, the Spurs Youth Basketball League has welcomed more than 350,000 kids and 45,000 coaches to a league where they learn the benefits of making positive choices and respect for all.

Together, we have the power to empower!

To learn more about Silver & Black Give Back, please visit www.sbgb.org.

Silver & Black Give Back (SBGB) is a 501(c)(3) public charity investing within San Antonio in partnership with the entire Spurs Sports & Entertainment family of teams: the Spurs (NBA), Stars (WNA), Rampage (AHL), SAFC (USL) and Austin Spurs (NBA Development League).

Silver & Black Give Back Programs

The 2016-2017 season marks the seventh year of the Team Up Challenge.

The Team Up Challenge provides funding for youth-led service projects that better the community by encouraging students to be civically-minded in partnership with schools and non-profits. This season SBGB is awarding $250,000, the most in the program's history.

Team Up Scholars

The Scholars program is open to local college students. Selected students serve as mentors for the K-12 and non-profit students in the Team Up Challenge, encouraging them and advising them through the entire season. The Scholars additionally provide guidance on applying to college and lead a campus tour to encourage the kids to aspire to a college education.

Team Up Junior Review Committee

The Junior Review Committee is compiled of selected 12-18 year old students who have previously participated in the Team Up Challenge. These students are part of the fund allocation process and conduct site visits to all of our selected partners. This "to students, by students" model exemplifies empowerment at its finest.

VISIT TEAMUPCHALLENGE.COM

Our youth sports leagues teach essential character traits and positive values through teamwork and competition in a fun, safe environment. Skills like leadership, accountability, responsibility, teamwork and communication are all learned on the court as young people work together to accomplish a common goal.

Over 1200 girls ages 7-12 have participated in the Future Stars league since 2013. There are 2 Future Stars seasons per year, each held at one of four YMCAs in the San Antonio area.

Silver & Black Give Back Fundraising & Donations

Our fundraising efforts provide the community opportunities to purchase unique items and gain access to exclusive experiences that fully support Silver & Black Give Back programs.

SBGB Facility Improvements

Silver & Black Give Back (SBGB) supports safe places to play and learn for all kids and their families by awarding capital improvement grants. In the 2016-2017 season SBGB will continue to award funding to improve the infrastructure at sites that operate SBGB programs: Team Up Challenge, Spurs Youth Basketball League, Future Stars and Jr. Rampage. Past recipients have installed new roofs, HVAC systems, bleachers, outdoor basketballs courts and more!

Merchandise

The purchase of exclusive SBGB merchandise provides you the opportunity to directly support our programs. Annually, we sell exclusive and one of a kind merchandise like Fiesta medals and calendars available for purchase in-game at section 105 and online for fans at sbgb.org.

Investing in our Impact

Without the dedication, commitment and support of San Antonio's corporate and individual philanthropic generosity SBGB would not have the opportunity to engage and grow the kids in our programs.

The Starting Lineup is a dedicated group of donors who contribute annual large-scale gifts that support our programs. SBGB hosts several donor appreciation events throughout the year that offer them the opportunity to interact with our players and coaches in unique settings.

THANK YOU TO OUR STARTING LINEUP

Whether it's rebuilding a dilapidated court or helping students care for soldiers overseas, Silver & Black Give Back operates with one goal in mind– to empower youth. This season, we're thrilled to honor our friends and supports who are generously investing and committed to our programs, the Team Up Challenge, youth sports and facility improvements.

On behalf of the empowered youth who participate in our programs, we would like to extend a special thank you to our Starting Lineup!
